

Support BUILD-PAC. Support our industry

As a member of the Home Builders Association of Winston-Salem, I am asking you to help protect the American dream of homeownership by supporting BUILD-PAC of the North Carolina Home Builders Association (NCHBA). Contributing to BUILD-PAC is one of the best ways I know to protect this dream, as well as ensure our industry's well-being and security.

BUILD-PAC is the state political action committee. BUILD-PAC pools member contributions to help elect pro-housing candidates to the General Assembly, County Commission, Town Council and the court house. Widely recognized as one of the most influential PACs in the state, BUILD-PAC gives the NCHBA a powerful voice in the state and local governments. Your contributions, combined with thousands of others, give BUILD-PAC the necessary financial clout to make your voice heard in Raleigh and beyond. Your donation allows us to continue our track record of supporting candidates who make housing a state and local priority.

We identify and support candidates with a demonstrated commitment to:

- reducing government regulations;
- improving housing affordability and homeownership opportunities;
- supporting small business issues; and
- working for sound environmental policies.

BUILD-PAC is as important to your business *today* as to *your ability* to do business *tomorrow!*
