

2011 CHARITABLE FUND FORM

SUPPORTING THE JIMMY JOHNSON MEMORIAL VOCATIONAL EDUCATION FUND

Again, this year, your Vocational Education Committee is working with our Charitable Contributions Committee to solicit charitable donations and to choose the charitable causes on an annual basis. Our primary benefactor will be the Jimmy Johnson Memorial Vocational Education Fund at Habitat for Humanity Forsyth County. All contributions will be made to and awarded through the Winston-Salem Foundation/HBAWS Charitable Fund.

Dollars raised for the JJMVE Fund are used to cover the hard costs of constructing Habitat houses built by vocational education students, one house by the Career Center and one house by Forsyth Technical Community College. This fund is also seeded by an annual appropriation from the WSFC School System and is matched by corporate sponsors, including the REALTORS®, for the sole purpose of supporting the educational and building efforts of the Career Center of the Winston-Salem/Forsyth County School System and Forsyth Technical Community College. "Learn by doing" has always been a tried and true technique in Vocational Education. The JJMVE Fund is a great way for the HBA to support the Career Center and Forsyth Technical Community College in their efforts to train and educate future professionals in our field.

Your participation this year is as important as ever. Thank you in advance for your generous support. Together we are making a difference.
